This looks good to me. Thank you all for your efforts in trying to make this as succinct as possible. Cindy – can you send out the guidance as the REOC Finance Section Chief to everyone? Thanks.

Looks good. Don't forget to include an explanation of travel charging.

Also you may want to make a statement that this applies to all Superfund and non-Superfund employees, just to be very specific.

At least I believe that was the final conclusion.

Good Morning,

I was really trying to make this as simple as possible.....take a look and let me know if I am saying this wrong or if any additional items need to be added.

Good Morning Everyone,

We realize the collaborative guidance sent out by OB/OSWER left many questions unanswered. Below is some further guidance for everyone based on multiple site charging situations:

Regular Time:

Working 100% on GKM – site charge 100% to the account favorite loaded in PPL+ (2015 T 06L 303DC6 A8K9RV00).

Working less than 100% on GKM – only site charge to the account favorite loaded in PPL+ (2015 T 06L 303DC6 A8K9RV00) for the hours you actually worked on the site.

Overtime:

Should all be charged to the account favorite loaded for you in PPL+ (2015 T 06L 303DC6 A8K9RV00 ).

Travel should be charged to the account favorite loaded in your PPL+ (2015 T 06L 303DC6 A8K9RV00)

This guidance applies to **all employees** charging the Gold King Mine Spill, Superfund and non-Superfund employees.

**Please ensure you are no longer charging to A6LSXX00.**
